from the Accountant General,

the head to which the
grant of Rs 25,000/- to Davangere
Municipality for meeting
the cost of certain works -

The grant of Rs 25,000/-
given to Davangere Municipality
in G.O. No 128/53 is for
meeting certain the cost of
certain works and the ~~same~~
grant has been debited to
57 Miscellaneous" The
contention of the A.G. is that
according to Art 34 (a) of
Account Code, Vol I (Govt
of India) ^{the head} 57 Miscellaneous
is not the correct head of
debit and as such,
the grant has to be
debited to the head of
account most closely
connected with the object
for which it is granted.
An extract of Art 34 (a) of

4645
5 Head of debit of the grant
of Rs 25,000/- given to Savangere
bil. - Municipality
Account code, vol I is placed
below for perusal. It may
be seen therefrom that the
head "57 Miscellaneous" can
be debited ^{when} ~~to~~ grants ^{are} made
for general purposes such as
a grant to make good a
defect or as compensation
for revenue resumed. According
to the view of the A G, the
grant now sanctioned cannot
be debited to "50 Civil
Works" also as the head
"50 Civil Works", according
to Art 34 (a) of Account
code, vol I, can be debited
only when a grant is given
for the construction of
a road.

2) Such difficulty had arisen
in several other cases. To obviate
these difficulties, it is
proposed to issue a general
circular in the matter &
the file is being worked up.

Subject - Grant of Rs.25,000/- to Davanagere City Municipality
for meeting the cost of certain works.

I would invite a reference to Government Order No L 5385-88/E M 118-53-2 dated 12-8-53 according sanction to the payment of a grant of Rs.25,000/- to Davanagere City Municipality for meeting the expenditure connected with certain works of the Municipality. It has been stated therein that the payment may be debited to the head "57 Miscellaneous (d) Contribution - Contributions to Local Bodies". According to Article 34(a) of (the Government of India) Account Code, Volume I only grants made to a Local Body for general purposes such as a grant to make good a deficit or as compensation for revenue resumed can be debited to "57 Miscellaneous". Other grants paid to Local Bodies for specific objects like maintenance or improvement of roads etc should be debited as expenditure under the head of account most closely connected with the object for which the grants are paid. In view of these provisions it will not be correct to debit the grant of Rs.25,000/- ordered to be paid to the Davanagere Municipality for meeting expenditure on improvement of roads, improvement of water supply, and formation of conservancies in congested areas under "57 Miscellaneous". I would therefore request Government to revise their orders referred to above suitably, taking necessary action to surrender the provision for the grant referred to above under "57 Miscellaneous" and to provide for it under the heads of account that are most closely connected with the objects for which the grants are proposed to be paid.

Yours faithfully,

Regarding grant of Rs 25000 to
Davanagere City Municipality though
the grant is usually given for specific
works in the case of Municipalities such
grant will not usually cover the
entire cost of the schemes and
these works form part of the

While a check is exercised in
allowing grants for such normal

meant for covering the deficit

Sir,

Please refer to your letter No T3-103/misc. dated the 15th October 1953 regarding grant of Rs 25,000/- to Davangere City Municipality. Though the grant is usually given for specific works in the case of Municipalities such grant will not cover the entire cost of the schemes and these works form part of the normal activities of the local body. While a check is exercised in allotting grants for such normal works such grants are in fact meant for covering the deficit since without the grants the local bodies will not be able to carry out the works. It is not practicable to allocate the grants among several major heads as suggested and it is requested that immediate action may be taken to authorise payment under the major head 57 Miscellaneous as any delay would mean curtailing the benefits to the people intended to be afforded by these orders. This has the concurrence of the Finance Department and if you still desire changes in ^{classification} ~~classification~~, this may be taken up at a later stage and the Government Order may be kindly given effect to without further delay.

Yours faithfully,
